

**NOTE:** These Test Scripts are based on the prototype built for PD4. The test cases that are below will be modified to reflect the changes that Zack is working on for PD6.

#### MANAGE CHECKS

- 1) Navigate your pointing device into the upper right hand corner of your screen and click on **Register** to register an account with the RCTS
- 2) Once you have registered with a username and password, click on **Check Entry**
- 3) Enter the sample data information that is provided to you in the appropriate fields
- 4) Once the information is completely entered, save the new entry
- 5) You can then click on **Manage Checks** in the top left corner
- 6) From there you can edit or delete each check entry

#### MANAGE PERSON ACCOUNTS

1. Login to RCTS in the upper right hand corner
2. Navigate to **Admin Duties**
3. From this screen, you can **Add/Edit/Delete** records that are listed
